It is the responsibility of the management committee to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with the generally accepted accounting principles. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements present fairly in all material respects the financial position of **Pakistan Red Crescent Society (Provincial Branch)** as at December 31, 2006 and of its surplus for the year then ended in accordance with the generally accepted accounting principles.

Without qualifying our opinion, we draw attention to Note 9.5 to the financial statements which indicates that the Securities & Exchange Commission of Pakistan has appointed an administrator to regulate the affairs of Crescent Standard Investment Bank Limited (CSIBL). This creates the risk of potential loss to the investment of Rs. 39.5 million of the Society with CSIBL.
